the voyage diaries

Bellotti Ezio

Memorie, emozioni, incontri. I diari di viaggio ne sono i custodi, testimoni di profonde esperienze e affascinanti destinazioni. Con il secondo capitolo di Cromie prosegue il racconto di una riscoperta bellezza tutta italiana. Dalle sponde del Lago Maggiore verso giardini segreti.

Un luogo incantato, celato al mondo dalla natura che rigogliosa avvolge l'opera dell'uomo. Un giardino bucolico ricolmo di fiori, piante e animali, incornicia le due ville del *relais* La Foleia, i cui sguardi si incrociano al di là di uno specchio d'acqua. Come in una tela di Monet, fiori di loto e ninfee punteggiano la superficie del lago, catturando colori, luce, magia. È il mondo dei sogni, un luogo intimo e profondo, in cui abbandonarsi al riposo, alla fantasia, all'ispirazione.

☞ *“Se guardi nel modo giusto, puoi vedere che il mondo intero è un giardino”.*

Frances Hodgson Burnet

Memories, emotions, meetings. Travel journals are their guardians, witnesses of profound experiences and fascinating destinations. The story of a rediscovered typically Italian beauty continues with the second chapter of Cromie. From the shores of Lake Maggiore to secret gardens.

An enchanted place concealed from the world by the luxuriant nature that envelops the work of man. A bucolic garden overflowing with flowers, plants and animals frames the two villas of the La Foleia resort, whose views intersect beyond an expanse of water. Like in a painting by Monet, lotus flowers and water lilies dot the lake's surface and capture colours, light, magic. It is a dream world, an intimate and profound place where one can indulge in relaxation, imagination, inspiration.

Immersed in this atmosphere, in harmony with the Art-Nouveau and neoclassical style of the scene surrounding it, is the new Cromie collection. An uplifting visual narration of Bellotti Ezio's updated savoir-faire that interprets the excellence of high craftsmanship according to contemporary moods.

👉 *"If you look the right way, you can see that the whole world is a garden".*
Frances Hodgson Burnet

Immersa in questa atmosfera, in armonia con lo stile liberty e neoclassico della cornice che la circonda, la nuova collezione Cromie. Un'inebriante narrazione visiva del rinnovato savoir-faire di Bellotti Ezio che interpreta l'eccellenza dell'alto artigianato secondo mood contemporanei.

I colori della verdeggiante vegetazione rivivono nell'interior. Si rintracciano nel moodboard Loto, una palette autentica, riflessiva, soave. Dipinge tessuti tinta unita, ricami floreali, marmi e intarsi. Applicata nella finitura delle essenze, questa tonalità permette di introdurre la laccatura alla francese, a base d'acqua, dunque affine a un approccio sostenibile ed ecologico. Il verde Loto esprime la serenità della natura, evoca un ideale "giardino d'inverno" dove rigenerarsi e ritrovare sé stessi.

The colours of the verdant vegetation are revived in the interior. They are found in the Lotus moodboard, an authentic, thoughtful, melodious palette. It paints plain colour fabrics, floral embroidery, marbles and inlays. Applied in the finish of the woods, with this shade the water-based French polishing can be introduced, so it is similar to a sustainable and eco-friendly approach. Lotus green expresses the serenity of nature, evokes an ideal "winter garden" where one can be rejuvenated and find oneself.

Un'intensità raffinata definisce il moodboard Anemone, un tripudio di sfumature decise addolcite dalla tinta rosa Sakura, i cui accenti delicati creano una melodia d'insieme con il blu dominante. Nei tessuti, nella morbida pelliccia, nei laccati e negli intarsi abbinati alla madreperla, a creare un motivo a squame di ispirazione giapponese, la palette rimanda alle cromie dei cieli e dei mari: allo stesso modo gli arredi generano un orizzonte infinito, una prospettiva senza confini. Un omaggio alla classicità, che è oltre il tempo e oltre lo spazio.

A refined intensity defines the Anemone moodboard, a jubilation of sharp shades softened by the pink hue Sakura, whose delicate accents create an overall melody with blue dominating. The palette reflects the colours of the skies and seas in the fabrics, in the soft fur, in the French-polished pieces and in the inlays combined with mother-of-pearl, creating a Japanese-inspired scale pattern. In the same way, the furnishings generate an infinite horizon, a boundless view. Homage is paid to classicism, which is beyond time and beyond space.
